TRW BIOGRAPHY

SIMON RAMO

Vice Chairman of the Board and
Chairman of the Executive Committee
TRW Inc.

Dr. Ramo has engaged successfully in several areas of endeavor, in any one of which his accomplishments are sufficient for eminence.

A scientist and engineer, he obtained his Ph.D. magna cum laude from the California Institute of Technology at age 23. As a General Electric scientist he attained world prominence as a pioneer in microwaves, the extremely high radio frequencies fundamental to radar and advanced communications, and developed GE's electron microscope. Before age 30, he had accumulated 25 patents, was made a Fellow of the American Physical Society and several other major professional societies, and was voted one of America's "most outstanding young electrical engineers."

Dr. Ramo became one of the nation's top experts in guided missiles, first as the director of the Falcon guided missile program for air defense and later as the chief scientist for the nation's Intercontinental Ballistic Missile (ICBM) Program. As the leading civilian contributor to this "largest single program in the country's history," he was awarded a special citation of honor by the Air Force. He has received honorary doctorates from the University of Michigan, Case Institute of Technology, University of Utah, University of Akron, Union College, Worcester Polytechnic Institute, Carnegie-Mellon University, and Polytechnic Institute of Brooklyn, and numerous other awards.

As a top industrialist, Dr. Ramo has been the founder and builder of several outstanding organizations. A key organizer and developer of Hughes Aircraft Company's electronics and missile operations, he participated in building this activity from scratch to a several hundred million a year volume and national stature, becoming its vice president for operations. He was a co-founder of Ramo-Wooldridge Corporation in 1953 and first president of its subsidiary, Space Technology Laboratories (now TRW's Systems Group), which has participated in more spacecraft projects than any other single industrial organization. On the 1958 merger of Ramo-Wooldridge with its financial backers, Thompson Products, he became executive vice president of the combined operation, Thompson Ramo Wooldridge Inc. (now TRW Inc.) and, in 1961, vice chairman of its Board of Directors. In 1969 he assumed additional responsibilities as Chairman of the Executive Committee. He also served as president of its former affiliate, Bunker-Ramo Corporation, of which he was a co-founder.

As an educator, Dr. Ramo has written several texts, widely used in the nation's universities and by practicing engineers and scientists, which have been translated into several foreign languages. He is a trustee of the California Institute of Technology, where he also is a research associate. He has been a Regents' Lecturer at the University of California and is a member of the Visitors Committee at Harvard University, and the Advisory Council of Stanford University. His writings on technology and society have appeared in numerous books and periodicals. His books on the application of science to social programs, "Cure for Chaos" and "Century of Mismatch," have received wide critical acclaim and public audience. Dr. Ramo's most recent book, "The Islands of E, Cono & My," examines the economic problems of the world today and provides fresh perspective on their solutions.

Dr. Ramo is a founding member of the National Academy of Engineering and was recently elected to the National Academy of Science. He is a member of the International Academy of Astronautics (Paris), and the American Philosophical Society and is a fellow of The Institute of Electronic and Electrical Engineers, American Physical Society, American Institute of Aeronautics and Astronautics, and the American Academy of Arts and Sciences.

Dr. Ramo is one of the nation's key advisors to the government on technological matters, as a consultant for the President's Science Advisory Committee, the Office of Science and Technology, the Air Force, the Department of Commerce, and other government agencies. He serves on the Advisory Council on Japan/U.S. Economic Relations and the Advisory Committee on International Institutions and American Foreign Policy: The Impact of Technological Change of The Brookings Institution, and is a member of the Department of State Committee on Science and Foreign Affairs. He is a director and trustee of many philanthropic, cultural, and professional organizations, including the City of Hope, American Museum of Electricity, the Southern California Symphony - Hollywood Bowl Association and the Music Center Opera Association. In addition to serving on the Board of Directors of TRW, Dr. Ramo is also a director of Union Bank, Times Mirror Company, Unionamerica, Inc., and the Chamber of Commerce of the United States.

REVOLUTIONARY UNION

In September, 1968, a source advised that the Revolutionary Union (RU) was formed in early 1968 as a covert revolutionary, Marxist-Leninist organization ideologically oriented toward Communist China, which it views as the model of the correct revolutionary Marxist-Leninist line as developed through MAO Tse-tung. The RU advocates the necessity of violent revolution and open guerrilla warfare to overthrow the existing political system in the United States and effect radical changes in this nation; and some members are collecting firearms, explosives and other weapons and have engaged in guerrilla warfare and firearms training.

In April, 1970, a second source advised that RU partially surfaced in April, 1969, through advertisements in select "New Left" periodicals, offering for sale select writings of the RU, including a "Statement of Principles" in the form of "Red Papers", the theoretical journal of RU.

As of March, 1971, the second source advised RU became a national organization, divided into western, mid-western, and eastern regions, with supreme authority vested in the National Central Committee, on which each region is equally represented.

The RU's published "Statement of Principles" calls for the smashing of the existing state apparatus by the United States working class and the establishment of communism and the dictatorship of the proletariat; recognized the necessity of violent revolution and organized armed struggle to achieve those ends and calls for the creation of a revolutionary party based on Marxism-Leninism as developed through MAO Tse-tung.

As of May, 1973, a third source advised that RU maintains a national headquarters in Maywood, Illinois, which coordinates the RU nationally through a four-member Secretariat and publishes a national RU newspaper entitled "Revolution" on a monthly basis.

APPENDIX

WHITE PANTHER PARTY
Also known as
Rainbow Peoples Party

A source advised during February, 1971, as follows:

The White Panther Party (WPP) maintains headquarters at 1520 Hill Street, Ann Arbor, Michigan, a white "hippie" commune known as "Trans-Love Energies", where it was founded in late 1968 by John Alexander Sinclair and Lawrence Robert Plamondon.

Source advised WPP described itself during 1970 as a white "hippie"-oriented revolutionary organization, which formally accepted the published ten-point program of the Black Panther Party (BPP), to which it added a ten-point program of its own, all points calling for unbridled personal freedom of the individual. The points of the program call for abolition of money, release of all prisoners, free love, and free medicine. Source advised the WPP envisions itself as a white adjunct of the BPP, whose heroes it has accepted as its own.

The Ann Arbor, Michigan headquarters of the WPP is known by source to have access to an arsenal of weapons, including shotguns, rifles, and explosives. Residents of the WPP headquarters commune are required to participate in regular firearms training and/or practice.

Source advised the principal aim of the WPP is to influence the so-called "Youth Culture" and to "radicalize" or "revolutionize" same into the WPP revolutionary subculture through use of all available media, including hard rock revolutionary music, rhetoric, art, as well as through "dope" and the abandonment of normally accepted moral standards of sex. In efforts to attract that type following, the WPP has, in the past, utilized names such as "Youth International Party" or "Yippies", as well as the designation "Woodstock Nation" and "Woodstock People's Party".

WPP official publications have stated that "We take as our heroes those we have been taught to hate," followed by names including Fidel Castro of Cuba and Chairman MAO of Communist China.

APPENDIX

During 1971, it successfully transformed itself to the Rainbow Peoples Party (RPP) as a local, unaffiliated organization, dedicated to "community organizations", retrenchment and retrospective activity with limited, calculated activity, principally dedicated to its own welfare.

It claimed success in achieving notable support in the community on a wide variety of fronts, including local political action in the change of State Laws on marijuana and related matters, and most significant on achieving the release from prison of its Chairman, John Sinclair. During 1970, the leadership of the WPP advocated the need and justification of violence to achieve revolutionary ends.

Source advised on June 11, 1973, that the ideology of the WPP remains essentially unchanged although it currently is engaged exclusively in "community organizing" of the so-called "street people's community" at Ann Arbor, Michigan, and has softened its rhetoric to eliminate reference to violence, revolution and obscenity. Source advised these tactics are designed to gain a broader community acceptance for a variety of WPP programs.

REFERENCES

On 10/16/73, General B. A. SCHRIEVER, retired, partner of MC KEE and SCHRIEVER Management Consultants, 1025 Connecticut Avenue, N. W., Washington, D. C. (WDC), advised SA [] that he has known the appointee on a professional and social level since approximately 1954. It was during this time that he, SCHRIEVER, was working on the U. S. Army missile program and from approximately 1954-1959, had daily professional contact with the appointee who was a civilian counterpart on the U. S. Army missile program. He described the appointee as being intelligent, articulate, dynamic, enthusiastic, who is innovative and imaginative and has complete control over his emotions.

During the period 1959 through approximately 1965, he saw the appointee on an intermittent basis. He, SCHRIEVER, was in the Development and Planning Office in the Pentagon and the appointee was in a related civilian field and hence, they remained in contact but not as frequent. Since SCHRIEVER has retired from the military and the appointee has been placed on the West Coast, he has not had as frequent occasions to contact the appointee but from what he has heard of his associates, the appointee has maintained the very highest standards of business and personal ethics and displays the consistent qualities inherent in an outstanding individual.

He has on occasion had an opportunity to meet and socialize with the appointee's wife and family and considers the appointee and his family to be happily married, well adjusted, a model of community spirit and patriotism. He has never had any reason to question the appointee's character, associates, reputation, or loyalty. From his earliest association with the appointee, working on the missile program, during the early 1950's, he considered him then and

American Institute of

815 15 Street N.W.,
Washington, D.C.

On October 30, 1973, [redacted] Secretary, AIAA, advised SA [redacted] that she caused a search to be made of the records for the membership of AIAA and the records disclosed that the appointee is currently a member in good standing of AIAA and as far as she can determine, there is no other information regarding the appointee's membership in AIAA. The only information she has is that the appointee is a member but the records do not indicate that he is a member of any committee or any advisory board.

The Brookings Institution
Advisory on International Institutions
in American Foreign Policy - The Impact
of the Technological Change,
The Advisory Council on Japan-United
States Economic Relations

On October 30, 1973, [redacted] Advisor, Foreign Policy Section, Brookings Institution, advised SA [redacted] that the appointee was chosen for the Advisory Committee on International Institutions in American Foreign Policy in the fall of 1971 based on his prominence in the business field and based on various articles and books written by the appointee. [redacted] pointed out that even though the selection was made in the fall of 1971, the Committee meets on an as needed basis or annually and that since the appointee's selection the Committee has met only once and the appointee was unable to make the meeting due to previous commitments. Consequently, [redacted] has not met the appointee personally nor has anyone else in the Foreign Policy Section at Brookings had occasion to meet with the appointee.

On October 30, 1973, HENRY OWEN, Director, Foreign Policy Section, advised SA [redacted] that the appointee is a member of the Advisory Council Japan-United States Economic Relations and has been a member for approximately two years. He recalls that the appointee was chosen as a member for the

Council based on his prominence in the business field and his keen understanding of the various ramifications of international business dealings. Since he, OWEN, is not a member of the Advisory Council, he has never met the appointee and knows him only through reading his work. Membership on the Committee is allocated country wide and there is no one at the Institution now who would have worked directly with the appointee on the Committee. From what he has heard from his contemporaries at the Institution, the appointee is a man of highest intellect and character and he knows nothing at all derogatory regarding his loyalty, associates, or reputation.

The Chamber of Commerce of
the United States,
1615 H Street, N.W.,
Washington, D.C.

On October 30, 1973, [] General Counsel for the Chamber of Commerce of the United States, advised SA [] that he caused a search to be made of his records of the members of the Board of Directors, and advised that the appointee is currently a member of the Board of Directors. [] records indicate that the appointee was appointed to a term on the Board of Directors in 1971 to fill a vacancy which had occurred and that term on the Board expired in 1972. In 1972 the appointee was re-appointed to a two-year term on the Board of Directors and is currently serving in that capacity. [] went on to explain that membership on the Board of Directors is allocated geographically and that at the particular time that the vacancy occurred on the Board of Directors the appointee was the most prominent man in national and international business and hence, was selected for Directorship on the Board.

[] went on to explain that prior to the appointee being a Director on the Board, he participated in several councils or committees. He was a member of the Council on Trends and Prospectives from 1966 through approximately 1970 when the committee was discontinued. He was also a

member on the Committee of New Frontier of Technology which was in operation from 1960 through 1963. He was also a member of the United States - Japan Businessmen's Conference as recently as 1970.

[] has had occasion at various times during the year to meet the appointee and considers him to be an intelligent, articulate, circumspect individual whose success and esteem in the business field speaks well of his ability to organize and operate in both a national and international business field. Due to the fact that the Board meets infrequently during the calendar year and due to the fact that membership on the Board of Directors is based on geographic location, there would be no one at the headquarters of the Chamber of Commerce of the United States who would have had frequent contact with the appointee.

[] regards the appointee's character, associates, reputation, and loyalty to be of the highest caliber. He would recommend him without qualifications or reservations for a position of trust and confidence with the United States Government.

On October 30, 1973, Doctor RICHARD S. LANDRY, Assistant Director, Economic Analysis Group, the Brookings Institution, advised SA [] that he recalls working with the appointee during a period from 1966 through approximately 1968 when both were members of the Committee or Council on Trends and Prospectives in Business and it was during that time he had infrequent contact during their various committee meetings. He considers the appointee to be an intelligent, articulate individual, whose work in the business field both in the national and international realm has gained for him financial reward, respect, and esteem of contemporaries in the same field of endeavor. He has not had occasion to work with the appointee since their membership on the Council, but hears of the appointee's endeavors in the field through associates and through various publications. He regards the appointee's character, associates, reputation, and loyalty to be of the highest caliber. From what he knows of the appointee, he would highly recommend him for a position of trust and confidence with the United States Government.

RAMO, Simon (mmn)

Vice-Chairman of the Board and Chairman of the Executive Committee of TRW, Inc., with offices in the West Coast Headquarters at 1 Space Park Drive, Redondo Beach, California. He explained that TRW, Inc. is an international corporation with sales in excess of \$200 million per year and that corporate headquarters are maintained at Cleveland, Ohio. Mr. THOMPSON, who serves as Chairman of the Board of TRW, Inc., is located in corporate headquarters at Cleveland while Mr. WOOLDRIDGE, who retired from the company about 1961, resides at Santa Barbara, California.

According to Mr. WEBB, APPLICANT has served with the U.S. Government in an advisory capacity in many matters involving science, cryptography, the U. S. Air Force ballistic missile program (including the Atlas, Titan and Thor programs) and more recently as a member of the White House Science Advisory Panel as well as a member of the Science Advisory Board of the U.S.A.F. Dr. RAMO has been the subject of various background investigations, the last of which was conducted approximately one and one-half years ago by the Federal Bureau of Investigation; and as a result, APPLICANT has reportedly held a number of high level security clearances granted by the U.S. Government. He added that APPLICANT also serves as a Research Associate of Electrical Engineering at the California Institute of Technology (Cal Tech) at Pasadena, California, is active in civic and social organizations and is a frequent public speaker at various universities. In this connection, he denoted that APPLICANT is an excellent and persuasive public speaker. He described APPLICANT as a "genius" and "as honest and ethical a man as I know." He said APPLICANT and his wife, Virginia RAMO (to whom APPLICANT has been married for more than 30 years), enjoy a compatible relationship and two children (both sons) have been born of this union. Mr. WEBB further indicated that Dr. RAMO is a very controlled and well organized person of impeccable character whose loyalty to the U.S. is beyond question. He advised that APPLICANT has an occasional drink socially but uses alcohol in moderation and he had no cause to suspicion APPLICANT's masculinity or his ability to be discreet in a position of trust and responsibility. He commented that he could recommend Dr. RAMO for any high level position of any nature or sensitivity with the U.S. Government.

socially and professionally for the past 25 years, 16 years and more than 20 years respectively. Dr. BACHER volunteered that he (Dr. BACHER) is also a member of the Board of Directors of TRW, Inc. and that APPLICANT (a graduate of California Institute of Technology) has been an active trustee of this university for the past ten years. They characterized APPLICANT as very able, highly motivated and a thoughtful person. They indicated that APPLICANT is very public spirited and one who spends a lot of his personal time engaged in civic activities. They stated that they considered Dr. RAMO to be a person of the highest principles and utmost integrity whose sobriety, masculinity, character and loyalty to the U.S. are above suspicion. They deduced that APPLICANT would be highly discreet in safeguarding any classified sensitive material entrusted to him and recommended him without reservation for any position with the U.S. Government for which he may be under consideration.

DEVELOPED SOURCES

Mr. H. William (Bill) JAMIESON, President, Minerals Management Corporation, 14921 Ventura Boulevard, Suite 106; and Mr. Noah DIETRICH of Noah Dietrich and Associates (corporate consultants), 1880 Century Park East, Suite 1606; both of Los Angeles, California, were interviewed on September 5 and September 9, 1974 and stated that they have known APPLICANT since 1939 and 1946 respectively. Mr. L.A. (Pat) HYLAND, President, Hughes Aircraft Company, Teale Street, Culver City, California advised on September 9, 1974 that he has been acquainted with Dr. RAMO for more than 25 years. All sources were closely associated with APPLICANT professionally when he headed the Electronic Engineering Research Department at Hughes Aircraft Company (1946-53), and they have known him socially throughout their periods of acquaintance.

Mr. JAMIESON (formerly employed with the Jet Propulsion Laboratory at Cal Tech and later with the General Electric Company where he met APPLICANT in 1939) stated that APPLICANT attended Cal Tech where APPLICANT received a Ph.D. Degree. APPLICANT reportedly worked in the Electronic Laboratory of General Electric and Union College until 1946 when JAMIESON (then head of Special Projects in the Electronic Division of Hughes Aircraft Company) "hired him to be my boss" at Hughes Aircraft Company. After leaving the Hughes Aircraft Company, APPLICANT and another scientist there named Dean WOOLDRIDGE (also a graduate of Cal Tech and former scientist with Bell Telephone Company) co-founded the RAMO-WOOLDRIDGE Corporation which later merged with the Thompson Products Company (then an auto parts supplier) to form the present firm of TRW, Inc. Mr. JAMIESON suggested that APPLICANT is not a "deep scientific man" but described him as suave, articulate, a fantastic negotiator and a very persuasive man. He also denoted that RAMO is somewhat of a "snob" with a tendency toward egotism but one who has the ability to get along well with others.

LIMITED OFFICIAL USE

RAMO, Simon (mmn)

Mr. DIETRICH (formerly Director and Vice President of Hughes Tool Company and Director of Hughes Aircraft Company) advised that Dr. RAMO has lots of ability along the lines of physics, electronics and research but deduced that his ability as an administrator is more limited explaining that APPLICANT is lacking in knowledge as it concerns management policies and operations. He said Dr. RAMO has a nice personality but has a tendency to pontificate, adding, "you ask him a question and he makes a speech." He denoted that David EVANS, formerly Chief Plant Engineer at Hughes Aircraft Company, was the individual primarily responsible for stimulating interest in APPLICANT which led to Dr. RAMO's employment with the Hughes Company. According to Mr. DIETRICH, APPLICANT left the Hughes organization voluntarily after Howard Hughes defaulted in his promise to share in a capital gains plan with APPLICANT and other plant executives.

These sources further advised that they considered Dr. RAMO to be a person of sterling character about whose loyalty and patriotism they had no reason to question. They added that APPLICANT is a very moderate drinker on social occasions, appears to enjoy a happy marital life free of domestic difficulties and they deduced that he has normal masculine proclivities. They commented that APPLICANT has no character weaknesses in his personal habits or social life to their knowledge and his associates are persons of impeccable reputation. They reasoned that APPLICANT would be a discreet person in a position of trust and confidence and recommended him as entirely suitable for appointment in a high level advisory position with the Department of State.

NEIGHBORHOOD

1966 to present: 1025 Loma Vista Drive, Beverly Hills, California

Dr. METTLER, Dr. DE LAUER and Mr. WEBB (whose testimony is previously set out herein) confirmed that APPLICANT currently resides on a seven-acre estate located at 1025 Loma Vista Drive, Beverly Hills, California where he has resided with his family for the past eight years.

During interview with Dr. RAMO on August 16, 1974, he advised that the only neighbor in the vicinity of the captioned address with whom he is acquainted is a doctor (FNU) (BLAKE) (medical doctor) who lives either at 1027 or 1030 Loma Vista Drive. He noted that Dr. BLAKE, with whom he is acquainted only casually, was interviewed during a previous background investigation conducted on Dr. RAMO by the Federal Bureau of Investigation in 1973.

INTERVIEW WITH APPLICANT

Dr. Simon RAMO was interviewed at his private offices located at 10100 Santa Monica Boulevard, Suite 2000, Los Angeles, California on August 16, 1974. He advised that he was born on May 7, 1913 at Salt Lake City, Utah, and that he has never used or been known under any other names or aliases. He identified his father as Benjamin (mm) RAMO, who was born in 1883 at Brest-Litovsk, White Russia (formerly Poland) and died at Oakland, California in 1950. His father immigrated to the United States as a child (between 1890-95) and became a U.S. citizen through naturalization at the U.S. District Court, Salt Lake City, Utah about 1904. His mother, the former Clara TRESTMAN (DPOB: 1890 near Kiev, White Russia) who died in 1966, immigrated to the United States about 1900 and became a U.S. citizen by naturalization at New York City in or about 1911. He stated that he has one brother, named Leon (mm) RAMO (DPOB: 1911, Salt Lake City, Utah) who is a practicing medical doctor, residing at 6790 East Cedar Avenue, Denver, Colorado. In addition, he has one sister, identified as Gertrude Molly RAMO (now Mrs. Max MAROVITS) who was born in 1917 at Salt Lake City, Utah and is presently a widow, residing at 269 Hanover Avenue, Apt 502, Oakland, California.

RAMO, Simon (nmn)

According to Dr. RAMO, he was married for the first and only time at Beverly Hills, California on July 25, 1937 to Virginia nee: SMITH (DPOB: May 4, 1916, Yonkers, New York) and two children were born of this union identified as follows: [redacted] (DPOB: [redacted] Los Angeles, California), now residing at [redacted] (DPOB: [redacted] Los Angeles, California), who resides presently with Dr. RAMO and his wife at [redacted]. He denoted that both of his sons are presently single and that his younger son, [redacted] only recently completed law school.

b6
b7C

Dr. RAMO indicated that he has never served on active duty with the U.S. Armed Forces. He registered for military draft with the local Selective Service Board at Schenectady, New York about 1941 or 1942 and was placed in a deferred classification because of the sensitive classified work in which he was engaged at the time with General Electric Company. This work involved pioneering research in generation, amplification and microwave electricity (fundamental to radar systems) and in this connection he was granted a top secret security clearance based upon a background investigation probably completed by the Office of Naval Intelligence.

A review of Dr. RAMO's application forms and employment history disclosed the information set out therein is substantially correct in all details. He noted that his listed employment as research associate (with rank of full professorship) at the California Institute of Technology, Pasadena, California is a non-paying position and has involved some 25 lectures over a period of the past five years. He added that he is also a trustee of this university and is Chairman of the Review Committee in the Department of Physics. He claimed that he has never been discharged or requested to resign from any previous position for any reason.

In discussing his travels abroad, Dr. RAMO stated that he made a trip to the Soviet Union during the period of September 5 to September 19, 1973 at the request of Secretary of State KISSINGER as a member of the Committee for Science and Technology to explore the possibility of an interchange of technical information with the U.S.S.R. During this trip which lasted ten days (and included five days of work, a weekend sightseeing tour in Moscow and a week sightseeing in Leningrad) he held some 20 to 25 meetings with technicians and directors below the rank of minister in various Soviet departments concerned with computers, energy, agriculture, housing, transportation and petroleum. Prior to departing on this trip, he received security briefings from more than one U.S. Government agency but claimed he was never debriefed upon his return to the U.S. He was accompanied by his wife and visas were arranged by the State Department through the Soviet Embassy in Washington, D.C. Travel arrangements were made for him in advance of departure as an official guest of the U.S.S.R. and the Soviet Intourse Bureau was not involved in this visit. He flew from London to Moscow by BOAC and was met at the

Moscow airport by the American Embassy's Science Attache, two other members of the U.S. Embassy staff (names unrecalled) and Anatola YARILOV, Soviet Representative on the Committee of Science and Technology. At this point, he mentioned that YARILOV was assigned full time to the Soviet American Affairs Office and that YARILOV may have made a trip recently to the United States. After arrival, he bypassed Customs, was taken to a large hotel (he recalled only that the name began with the letter "O") in Red Square across from the Kremlin and was lodged in a special wing of the hotel reserved for VIPs.

Continuing, Dr. RAMO advised that among other Soviets he met a Mr. TRAPEZNIKON, identified as Department Chairman of the Committee of Science and Technology, and also held meetings with a couple of Mr. TRAPEZNIKON's deputies. He said the atmosphere in his conversations with the Soviets was relaxed without any feeling of being inhibited in any way and there seemed to be a genuine interest in detente with the U.S. as well as an interest in obtaining industrial technology. From Moscow, Dr. RAMO travelled to Leningrad by train in a special railroad car with sleeping compartment, the eight-hour trip lasting overnight. At Leningrad, he and his wife stayed in a deluxe modern hotel (name unknown) and they were provided with a professional and attractive female guide who spoke excellent English. APPLICANT and his wife left Leningrad aboard a Finnish airline flight to Helsinki and thereafter returned to the U.S. by Denmark. While in the U.S.S.R., he stated no restrictions were placed on his movements and his conversations with Soviet officials were limited to business, casual and social topics. He explained that no attempts were made to question him about matters not directly related to the purpose of his being in Russia, his baggage was not searched to his knowledge and he was not requested to deliver any letters or packages to anyone outside the Soviet Union. He related that he took nothing of value into the U.S.S.R. except his personal effects with the exception of a number of ballpoint pens and TRW brochures which he gave to Soviet officials whom he met. At one point, he was interviewed by a reporter which resulted in publication of a small non-controversial article which appeared in the newspaper about his visit. He denoted that his hotel room could have been "bugged" but he never discussed anything considered classified or controversial in his hotel room. He detected no attempts at surveillance and to his knowledge the trip was without incident from a security point of view. While in Moscow on this trip, he had discussions at the American Embassy with the Deputy Chief of Mission and the Science Attache; and before leaving Moscow he gave a reception for a number of Soviet and American officials held at a hotel other than the one where he was staying which was arranged through staff members at the U.S. Embassy. He observed that this was his one and only trip behind the Iron Curtain.

Dr. RAMO went on to say that he has never been arrested or detained by law enforcement officials and that he has never made a complaint to the police. He has no relatives currently residing abroad and stated that he

has never been a member of the Communist Party or affiliated with any organization which advocated the overthrow of the U.S. Government by force or violence. He denied any experimentation or use of narcotics or dangerous drugs and said there has never been any history of insanity or mental or emotional illness in his family background. He disclaimed any income tax delinquencies and he advised that he has no unusual debts or financial obligations. He acknowledged that he drinks on appropriate social occasions but denoted that his drinking is limited to perhaps two cocktails per week.

Dr. RAMO is approximately 5'10" in height, weighs about 160 pounds, is in good physical proportion, has brown eyes and gray hair. He was neatly groomed, courteous, cooperative and alert throughout the interview. He was articulate, speaking in a well modulated voice and displayed a high degree of intelligence. He made a favorable impression and no disqualifying physical characteristics, peculiarities or unusual mannerisms were observed.

Personal Data Statement by Simon Ramo

I am Simon Ramo, born May 7, 1913 in Salt Lake City, Utah, social security number 074-01-6577. I reside at 1025 Loma Vista Drive, Beverly Hills, California 90210, telephone number (213) 271-1042. For further information, contact [redacted] office number (213) 536-1005, home number [redacted]. I received a B.S.E.E. degree, University of Utah, 1933, and Ph.D., California Institute of Technology, 1936.

b6
b7C

I am or have been a director of *TRW Inc., *Atlantic Richfield Company, Times-Mirror Company, *Union Bank and *Union Bancorp and others (see attached). I am a trustee of *California Institute of Technology and member of the board of the *William M. Keck Foundation and the Music Center Foundation. I have been consultant to the John F. Kennedy School of Government at Harvard University and the School of Medicine at the University of California at Los Angeles. I have financial interests in TRW Inc. and the Atlantic Richfield Company. I have a personal loan from Union Bank and no other debts, nor do I have debtors other than my sons. I own no real property other than my home.

TRW has numerous contracts with the federal government, mainly with the Department of Defense and NASA, but none to my knowledge with the National Science Foundation. I am not familiar with any contracts of the Atlantic Richfield Company with the government, but assume they have some, although unlikely with the National Science Foundation. California Institute of Technology, I assume, regularly receives grants from the National Science Foundation. I have a contract to act as consultant for both TRW and Atlantic Richfield but receive no employee benefits.

To my best knowledge the answers are "no" to questions 15, 16, 17, 18, 20, 21, 22, 23, 24, 25, 26 and 27. As to question 19, as a member of the board of several industrial companies, I have on occasion been named when those entities have been defendants in various suits. I do not recall any such suits ever going to court settlements, the cases being settled out of court or thrown out. In no settlement was my personal integrity impugned. (Also, I was a member of the board of directors of Geotech, Inc. [about 1968-72]. Its chief executive later was sued by the SEC and he pleaded guilty to a perjury charge in connection with that suit. I was not named by the SEC in the suit. I know of no other case where an associate in any company or on any board was tried in any criminal or civil suit.)

I have authored numerous books and articles, appeared countless times as a speaker and testified before Congressional Committees, but never on what I would regard as "particularly controversial" material.

INQUIRIES ARE USUALLY MADE TELEPHONICALLY AND THE PERSON IS REQUIRED TO PROVIDE A TRW ISSUED SUBSCRIBER CODE PRIOR TO CREDIT HISTORY INFORMATION BEING PROVIDED OVER THE PHONE OR BEING MAILED TO SUBSCRIBER. EACH INQUIRY CAUSES A COMPUTER CHECK TO BE MADE THROUGH THE TRW FIELD OFFICE (OFFICES THROUGHOUT UNITED STATES), INTO THE TRW COMPUTER BANK LOCATED ANAHEIM, CALIFORNIA, VIA TELEPHONE LINES. EACH INQUIRY COSTS SUBSCRIBER \$1.80.

DURING WEEK OF 6/14/82, TRW SECURITY WAS CONTACTED BY

IN 1978, IS STILL A MEMBER OF THE BOARD OF DIRECTORS AND IS HEAVILY INVOLVED IN CONSULTING ACTIVITIES WITH TRW. HE CONSIDERS RAMO TO BE A VERY BRILLIANT INDIVIDUAL WHO IS A "GOOD IDEA MAN". RAMO'S STRENGTHS ARE AS A GOOD PROVIDER OF LEADERSHIP AND ONE WHO POSSESSES A GOOD TECHNICAL BACKGROUND. HE CONSIDERS RAMO TO HAVE AN IMPECCABLE LOYALTY TOWARD THE UNITED STATES AND KNOWS NOTHING IN HIS BACKGROUND OF A DEROGATORY NATURE.

ALTHOUGH HARTER KNOWS RAMO ONLY ON IN A BUSINESS SENSE, HE KNOWS OF THE ASSOCIATES OF RAMO AND CONSIDERS THEM TO ALL BE OF A HIGH LEVEL BEING INVOLVED IN THE ARTS, POLITICS, AND EDUCATION. HE DOES NOT KNOW OF RAMO EVER USING ANY NARCOTICS AND ONLY BELIEVES THAT HE DRINKS TO SLIGHT MODERATION. HARTER KNOWS OF NO BAD HABITS THAT RAMO HAS AND WOULD RECOMMEND HIM WITHOUT HESITATION FOR A CONFIDENTIAL POSITION.

DR. ROBERT BROMBERG WAS CONTACTED AT TRW ON JULY 12, 1984. DR. BROMBERG RETIRED FROM TRW IN FEBRUARY, 1982, HOWEVER, IS NOW CONSULTING TO TRW ONE OR TWO DAYS

PAGE THREE (161-2463) UNCLAS

A WEEK. WHEN HE RETIRED, HE WAS VICE PRESIDENT OF RESEARCH AND ENGINEERING. HE ADVISED THAT HE HAS KNOWN SIMON RAMO SINCE 1954 WHEN DR. BROMBERG WAS AT UNIVERSITY OF CALIFORNIA AT LOS ANGELES.

HE ADVISED THAT RAMO HAS A REPUTATION OF BEING A VERY BRIGHT, INNOVATIVE PERSON WHO IS AN INTELLECTUAL AND EXCEEDINGLY HONEST. RAMO HAS VERY HIGH INTEGRITY AND HAS FOSTERED THIS ATTITUDE WITHIN TRW. RAMO HAS CONTRIBUTED MUCH TO THE AEROSPACE INDUSTRY AND HAS PUSHED THE STANDARDS OF THE INDUSTRY UP BECAUSE OF HIS DEDICATION AND KNOWLEDGE IN THE FIELD. RAMO IS VIEWED AS A GOOD SPOKESMAN FOR THE INDUSTRY IN THE APPLICATION OF TECHNOLOGY.

HE CONSIDERS RAMO TO BE A VERY GOOD, LOYAL CITIZEN. ALTHOUGH NOT BEING ACQUAINTED WITH THE ASSOCIATES OF RAMO, DR. BROMBERG ADVISED THAT RAMO'S ASSOCIATES ARE ALL GOOD UPSTANDING PEOPLE. HE NOTED THAT RAMO IS HEAVILY INVOLVED IN CHARITABLE WORK, MUSIC AND THE ARTS. ALSO, RAMO IS ON A NUMBER OF BOARD OF DIRECTORS FOR

PAGE FOUR (161-24632 UNCLAS

LARGE COMPANIES IN THE UNITED STATES.

DR. BROMBERG KNOWS OF NO PROBLEMS WITH ALCOHOL OR NARCOTICS OR ANY OTHER DEROGATORY INFORMATION CONCERNING RAMO AND WOULD RECOMMEND HIM FOR A POSITION OF CONFIDENCE AND TRUST SUBJECT TO ANY PHYSICAL LIMITATIONS DUE TO HIS AGE ALTHOUGH DR. BROMBERG IS NOT AWARE OF ANY HEALTH PROBLEMS.

CONNIE D. CRAWFORD, DIRECTOR OF COMMUNITY AND CIVIC RELATIONS, ELECTRONICS AND DEFENSE SECTOR, TRW INCORPORATED, WAS CONTACTED ON JULY 12, 1984. SHE ADVISED THAT SHE HAS KNOWN SIMON RAMO SINCE 1973 WHEN CRAWFORD JOINED TRW AND FROM 1980 TO 1982 WORKED VERY CLOSELY WITH HIM IN CONNECTION WITH PROJECTS THAT RAMO WAS VITALLY INTERESTED IN. SHE HAS HAD SOME SOCIAL INTERRELATIONS WITH HIM, HOWEVER, MOST OF HER CONTACT HAS BEEN IN A WORK ATMOSPHERE. THEY HAVE A NUMBER OF MUTUAL SOCIAL FRIENDS AND SHE ADVISED THAT ALL OF HIS FRIENDS ARE OF HIGH CALIBER, HIGH RANKING PEOPLE.

RAMO HAS AN EXCELLENT REPUTATION AND IS CONSIDERED

PAGE FIVE (161-2463) UNCLAS

ALMOST A GENIUS. HE IS VERY ETHICAL, A STRONG WILLED, OUTSPOKEN INDIVIDUAL WHO IS CONSIDERED A COMPLETE SCIENTIST AND A FAIRLY GOOD ENTREPRENEUR. HE HAS MAINTAINED BOTH HIS SCIENTIFIC CREDENTIALS AND HIS INDUSTRIAL STATEMAN'S CREDENTIALS.

MRS. CRAWFORD EXPRESSED NO REASON TO QUESTION THE LOYALTY OF SIMON RAMO. SHE KNOWS NOTHING DEROGATORY CONCERNING HIM INCLUDING USE OF NARCOTICS OR ABUSE OF ALCOHOL AND NOTED THAT HE WAS EXTREMELY DEVOTED TO HIS WIFE. SHE WOULD HAVE NO HESITATION IN RECOMMENDING HIM FOR A SENSITIVE POSITION.

DR. ROBERT BURNETTE, VICE PRESIDENT AND GENERAL MANAGER OF THE DEFENSE SYSTEMS GROUP, TRW, WAS CONTACTED ON JULY 13, 1984. HE ADVISED THAT HE FIRST BECAME ACQUAINTED WITH SIMON RAMO ABOUT 1956 WHEN THE COMPANY WAS STILL KNOWN AS RAMO - WOOLDRIDGE. AT THAT TIME, RAMO WAS THE CHIEF RECRUITER FOR THE COMPANY AND BURNETTE MET HIM WHILE BURNETTE WAS A PROFESSOR AT PURDUE UNIVERSITY.

PAGE SIX (161-2463) UNCLAS

BURNETTE ADVISED THAT THE COMPANY WHICH STARTED OUT AS RAMO - WOOLDRIDGE HAS EXPANDED AND GROWN DUE TO THE LEADERSHIP OF RAMO UNTIL IT IS NOW KNOWN AS TRW AND IS A LEADER IN IT'S FIELD. IT IS NOTED THAT RAMO RETIRED FROM TRW IN 1978, HOWEVER, IS STILL ACTIVELY INVOLVED IN THE ACTIVITY OF TRW AS A MEMBER OF THE BOARD OF DIRECTORS AND ON A CONSULTING BASIS. HE ADVISED THAT RAMO HAS AN OUTSTANDING REPUTATION IS CONSIDERED A LOYAL INDIVIDUAL. BURNETTE SEES RAMO ON A SOCIAL BASIS AS WELL AS A WORK BASIS ON OCCASION AND NOTED THAT ALL OF THE FRIENDS OF RAMO ARE "UPPER CRUST." BURNETTE SAID THAT RAMO IS CONSIDERED A BRILLIANT SCIENTIST AND INVENTOR WHO IS WELL READ IN MANY AREAS INCLUDING INTERNATIONAL MATTERS, POLITICS, AND EVEN TENNIS TO THE POINT THAT HE HAS WRITTEN A BOOK ON TENNIS. RAMO IS AN INTELLECTUAL LEADER AND A GREAT ENVISIONARY WHO KNOWS HIS LIMITATIONS AND IS ABLE TO GET TO THE HEART OF MATTERS VERY QUICKLY. HE IS A VERY ARTICULATE, BROAD MINDED INDIVIDUAL WHO IS OPIN-

PAGE SEVEN (161-2463) UNCLAS

IONATED INCLUDING A STAND ON ARMS LIMITATIONS. RAMO MIXES WELL WITH OTHER INDIVIDUALS AND IS VERY GREGARIOUS AND CHARITABLE, DONATING MUCH TO VARIOUS CHARITABLE ORGANIZATIONS INCLUDING AN AUDITORIUM WHICH IS NOW NAMED AFTER HIM AT THE CALIFORNIA INSTITUTE OF TECHNOLOGY.

BURNETTE STATED HE KNEW OF NO ABUSES OF ALCOHOL OR NARCOTICS BY RAMO AND WOULD HAVE NO PROBLEM WHATSOEVER IN RECOMMENDING RAMO FOR A POSITION OF SENSITIVITY.

CHARLES W. STEPHENS, VICE PRESIDENT AND GENERAL MANAGER OF TRW'S ELECTRONICS SYSTEMS GROUP, WAS CONTACTED ON JULY 13, 1984. STEPHENS ADVISED HE HAS KNOWN SIMON RAMO SINCE COMING TO THE COMPANY APPROXIMATELY 27 YEARS AGO, AND HE HAS WORKED VERY CLOSELY WITH RAMO FOR THE LAST SEVEN OR EIGHT YEARS. HE HAS FOUND RAMO TO BE A VERY HARDWORKING, COMPLETELY HONEST INDIVIDUAL WHO IS STILL ACTIVE AND INVOLVED FOR HIS AGE WHICH IS AROUND 70. RAMO HAS A GOOD REPUTATION AND STEPHENS IS CERTAIN THAT RAMO IS A DEDICATED, PATRIOTIC, INVOLVED PERSON.

PAGE EIGHT (161-2463) UNCLAS

RAMO NOW HAS A GOOD REPUTATION IN HIS SENIOR STATEMAN'S ROLE AND RAMO IS STILL INTERESTED AND INVOLVED IN KEY, TECHNOLOGICAL MATTERS. RAMO IS RESPECTED FOR HIS TECHNOLOGICAL BRILLIANCE AND ACHIEVEMENTS WITH TRW AND THE NATIONS STRATEGIC MILITARY SYSTEMS.

AS FOR RAMO'S ASSOCIATES, THEY ARE ALL VERY "SENIOR PEOPLE IN THE BUSINESS AND ALSO PROMINENT INDIVIDUALS" IN THE WASHINGTON, D.C. AND LOS ANGELES AREA. STEPHENS RELATED THAT HE HAD NEVER SEEN ANY EVIDENCE OF ANY DRUGS USE OR ABUSE OF ALCOHOL BY RAMO AND KNEW OF NO REASON NOT TO RECOMMEND HIM FOR A POSITION OF CONFIDENCE AND TRUST.

DAN SCALLY, DIRECTOR OF SPECIAL PROGRAMS, TRW INCORPORATED, WAS PERSONALLY CONTACTED ON JULY 13, 1984.

SCALLY ADVISED THAT HE HAS KNOWN SIMON RAMO SINCE 1957 AND IN THE MID 1960'S, WORKED VERY CLOSELY WITH HIM HAVING TO GIVE HIM ANALYSIS BRIEFINGS ON A REGULAR BASIS. HE DESCRIBED RAMO AS A MAN OF ABSOLUTE

PAGE NINE (161-2463) UNCLAS

HONESTY AND INTEGRITY AND ONE WHO IS CONSIDERED A "VISIONARY" IN THE AEROSPACE FIELD. RAMO IS WELL KNOWN, HIGHLY RESPECTED INDIVIDUAL IN EDUCATION AND SCIENCE.

SCALLY CONSIDERS RAMO TO BE ABSOLUTELY LOYAL IN EVERY RESPECT AND AN INDIVIDUAL WHO ASSOCIATES ONLY WITH THE FINEST OF PEOPLE. HE NOTED THAT THE CLOSE FRIENDS OF RAMO SEEM TO BE HIGH LEVEL PEOPLE IN THE LOCAL COMMUNITY AS WELL AS THE EDUCATION COMMUNITY AND THOSE IN WASHINGTON, D.C.

HE CONTINUED THAT RAMO APPEARS TO BE A VERY TEMPERANT PERSON IN HIS DEMEANOR AND HE KNOWS OF NO PROBLEMS WITH ALCOHOL OR NARCOTICS. IN FACT, SCALLY ADVISED THAT HE KNEW OF NO DEROGATORY INFORMATION CONCERNING RAMO WHATSOEVER AND WOULD RECOMMEND HIM WITHOUT HESITATION FOR A POSITION OF SENSITIVITY AND TRUST.

THE APPLICANT STARTED A COMPANY IN THE EARLY 1950'S KNOWN AS RAMO - WOOLDRIDGE, WHICH LATER BECAME THOMPSON, RAMO, WOOLDRIDGE, AND LATER BECAME KNOWN TRW. DR. SINCE THEN, HE HAS CLOSE ASSOCIATION WITH RAMO WHO RETIRED AS VICE-CHAIRMAN OF THE BOARD OF DIRECTORS OF TRW IN 1978. RAMO IS STILL ACTIVE WITH TRW AS A MEMBER OF THE BOARD OF DIRECTORS.

AS RAMO WAS A FOUNDER OF TRW AND ALSO OF THE NATIONAL ACADEMY OF ENGINEERS, HE IS CONSIDERED AN "ENCYCLOPEDIA" IN THE AEROSPACE FIELD. RAMO IS A VERY WARM, OUTGOING PERSON WHO IS CONSIDERED A BRILLIANT PERSON AND VERY CAPABLE. RAMO HAS A BROAD RANGE OF INTERESTS INCLUDING PLAYING THE VIOLIN, AND HE IS

Officials from TRW, Redondo Beach, California advised on May 6, 1982, that information had been received indicating that [REDACTED] had allegedly solicited a kickback from [REDACTED] owner of JANLL Corporation of San Jacinto, California.

b6
b7C

[REDACTED] was employed as a buyer for TRW from September 1981 until his suspension following interview by the Federal Bureau of Investigation (FBI) on May 13, 1982. [REDACTED] alleged that during this employment, [REDACTED] solicited the kickback from him during January of 1982. The solicitation allegedly took place during a meeting between [REDACTED] at a restaurant in San Jacinto, California.

[redacted] stated that [redacted] informed him that he could assist the poor cashflow position of JANLL Corporation which had been in financial difficulty. [redacted] told [redacted] that he could "pad" the bids submitted by JANLL on purchase orders established between TRW and JANLL, a vendor of TRW. According to [redacted] during their meeting, [redacted] suggested that he could build up a "credit" over a period of time which would eventually be spread fifty, fifty between [redacted] and [redacted]. [redacted] has suggested that through this means, each could realize \$20,000 over and above what JANLL would ordinarily obtain through these purchase orders.

[redacted] stated that he told [redacted] that it would be extremely difficult to take that much cash out of his business without someone noticing. [redacted] then suggested that JANLL could purchase a vehicle, perhaps a Porsche, which then in turn could be given to [redacted] as payment for his part in this operation. [redacted] stated that at the conclusion of their meeting, [redacted] pointed out to him how much he could help JANLL Corporation but he also told [redacted] that he was in a position to "hurt" a supplier by virtue of his position as a buyer for TRW. [redacted] stated that he told [redacted] at that point that he would have to think it over and discuss the offer with his partner before rendering a decision. [redacted] now claims that he recontacted [redacted] about two days after the original offer was made and told him that he was not interested in participating in such a operation. According to [redacted] told him that everything was "okay."

b6
b7C

[redacted] stated that during May of 1982 he decided to advise TRW of this alleged attempt by [redacted] to pad the bills on which TRW would let purchase orders. He said he did this because he had not received any business from TRW since his meeting with [redacted] in January of 1982. [redacted] claims it was apparent that [redacted] was being vindictive towards JANLL Corporation because they had declined to participate in the kickback scheme. Upon being interviewed by the FBI [redacted] declined to participate any further in this matter and indicated that he would not make any further effort to contact [redacted] or to pursue the matter further.

b6
b7C

During interview by the FBI, [redacted] denied that he ever knowingly offered to "pad" the bids submitted by JANLL Corporation so that JANLL and himself could share in the monies. He denied ever describing to [redacted] a method whereby JANLL could build up a credit over a period of time which they would eventually share. He also denied ever suggesting that from the additional monies obtained from

[redacted] AKA

this padding, [redacted] could purchase a Porsche or any other automobile for [redacted]. Initially [redacted] agreed to participate in a polygraph examination in which [redacted] allegation would be addressed. [redacted] subsequently declined to take the polygraph examination based upon the advice of his attorney.

[redacted] residence is [redacted]
his date of birth is [redacted] Social Security Number [redacted]
[redacted]

Officials at TRW, Redondo Beach, California have indicated that they have conducted a thorough check of all business transacted by [redacted] and have stated that there is no indication that [redacted] requested or received any other type of payment or kickbacks from any other vendors that were doing business with TRW through [redacted].

b6
b7C

On August 11, 1982, Assistant United States Attorney (AUSA) [redacted] Los Angeles, was contacted and the facts relating to this investigation were discussed with her. AUSA [redacted] advised that she would decline prosecution in the matter since there was insufficient evidence to authorize a prosecution and in all probability not sufficient evidence to establish that a Federal violation actually exists.

[redacted] stated that [redacted] informed him that he could assist the poor cashflow position of JANLL Corporation which had been in financial difficulty. [redacted] told [redacted] that he could "pad" the bids submitted by JANLL on purchase orders established between TRW and JANLL, a vendor of TRW. According to [redacted] during their meeting, [redacted] suggested that he could build up a "credit" over a period of time which would eventually be spread fifty, fifty between [redacted] and [redacted]. [redacted] has suggested that through this means, each could realize \$20,000 over and above what JANLL would ordinarily obtain through these purchase orders.

[redacted] stated that he told [redacted] that it would be extremely difficult to take that much cash out of his business without someone noticing. [redacted] then suggested that JANLL could purchase a vehicle, perhaps a Porche, which then in turn could be given to [redacted] as payment for his part in this operation. [redacted] stated that at the conclusion of their meeting, [redacted] pointed out to him how much he could help JANLL Corporation but he also told [redacted] that he was in a position to "hurt" a supplier by virtue of his position as a buyer for TRW. [redacted] stated that he told [redacted] at that point that he would have to think it over and discuss the offer with his partner before rendering a decision. [redacted] now claims that he recontacted [redacted] about two days after the original offer was made and told him that he was not interested in participating in such a operation. According to [redacted] told him that everything was "okay."

b6
b7C

[redacted] stated that during May of 1982 he decided to advise TRW of this alleged attempt by [redacted] to pad the bills on which TRW would let purchase orders. He said he did this because he had not received any business from TRW since his meeting with [redacted] in January of 1982. [redacted] claims it was apparent that [redacted] was being vindictive towards JANLL Corporation because they had declined to participate in the kickback scheme. Upon being interviewed by the FBI [redacted] declined to participate any further in this matter and indicated that he would not make any further effort to contact [redacted] or to pursue the matter further.

b6
b7C

During interview by the FBI, [redacted] denied that he ever knowingly offered to "pad" the bids submitted by JANLL Corporation so that JANLL and himself could share in the monies. He denied ever describing to [redacted] a method whereby JANLL could build up a credit over a period of time which they would eventually share. He also denied ever suggesting that from the additional monies obtained from

this padding, [redacted] could purchase a Porsche or any other automobile for [redacted]. Initially [redacted] agreed to participate in a polygraph examination in which [redacted] allegation would be addressed. [redacted] subsequently declined to take the polygraph examination based upon the advice of his attorney.

[redacted] residence is [redacted]
his date of birth is [redacted] Social Security Number [redacted]
[redacted]

Officials at TRW, Redondo Beach, California have indicated that they have conducted a thorough check of all business transacted by [redacted] and have stated that there is no indication that [redacted] requested or received any other type of payment or kickbacks from any other vendors that were doing business with TRW through [redacted].

b6
b7C

On August 11, 1982, Assistant United States Attorney (AUSA) [redacted] Los Angeles, was contacted and the facts relating to this investigation were discussed with her. AUSA [redacted] advised that she would decline prosecution in the matter since there was insufficient evidence to authorize a prosecution and in all probability not sufficient evidence to establish that a Federal violation actually exists.

DETAILS:

LA 161B-2463

EMPLOYMENT:

TRW INCORPORATED, ONE SPACE PARK, REDONDO BEACH,
CALIFORNIA:

ON JULY 12, 1984, GEORGE HARTER, CORPORATE VICE PRESIDENT AND ASSISTANT GENERAL MANAGER OF THE ELECTRONICS AND DEFENSE SECTOR, TRW INCORPORATED, REDONDO BEACH, WAS PERSONALLY CONTACTED. HARTER ADVISED THAT HE HAS KNOWN OF SIMON RAMO FOR APPROXIMATELY 27 YEARS AND HAS BEEN ASSOCIATED WITH HIM CLOSELY ON A PROFESSIONAL BASIS FOR 20 YEARS. HE NOTED THAT RAMO WAS ONE OF THE FOUNDING MEMBERS OF TRW IN THE EARLY 1950'S AND ALTHOUGH RETIRING IN 1978, IS STILL A MEMBER OF THE BOARD OF DIRECTORS AND IS HEAVILY INVOLVED IN CONSULTING ACTIVITIES WITH TRW. HE CONSIDERS RAMO TO BE A VERY BRILLIANT INDIVIDUAL WHO IS A "GOOD IDEA MAN". RAMO'S STRENGTHS ARE AS A GOOD PROVIDER OF LEADERSHIP AND ONE WHO POSSESSES A GOOD TECHNICAL BACKGROUND. HE CONSIDERS RAMO TO HAVE AN IMPECCABLE LOYALTY TOWARD THE UNITED STATES AND KNOWS NOTHING IN HIS BACKGROUND OF A DEROGATORY NATURE.

ALTHOUGH HARTER KNOWS RAMO ONLY ON IN A BUSINESS SENSE, HE KNOWS OF THE ASSOCIATES OF RAMO AND CONSIDERS THEM TO ALL BE OF A HIGH LEVEL BEING INVOLVED IN THE ARTS, POLITICS, AND EDUCATION. HE DOES NOT KNOW OF RAMO EVER USING ANY NARCOTICS AND ONLY BELIEVES THAT HE DRINKS TO SLIGHT MODERATION. HARTER KNOWS OF NO BAD HABITS THAT RAMO HAS AND WOULD RECOMMEND HIM WITHOUT HESITATION FOR A CONFIDENTIAL POSITION.

DR. ROBERT BROMBERG WAS CONTACTED AT TRW ON JULY 12, 1984. DR. BROMBERG RETIRED FROM TRW IN FEBRUARY, 1982, HOWEVER, IS NOW CONSULTING TO TRW ONE OR TWO DAYS A WEEK. WHEN HE RETIRED, HE WAS VICE PRESIDENT OF RESEARCH AND ENGINEERING. HE ADVISED THAT HE HAS KNOWN SIMON RAMO SINCE 1954 WHEN DR. BROMBERG WAS AT UNIVERSITY OF CALIFORNIA AT LOS ANGELES.

HE ADVISED THAT RAMO HAS A REPUTATION OF BEING A VERY BRIGHT, INNOVATIVE PERSON WHO IS AN INTELLECTUAL AND EXCEEDINGLY HONEST. RAMO HAS VERY HIGH INTEGRITY

LA 161B-2463

AND HAS FOSTERED THIS ATTITUDE WITHIN TRW. RAMO HAS CONTRIBUTED MUCH TO THE AEROSPACE INDUSTRY AND HAS PUSHED THE STANDARDS OF THE INDUSTRY UP BECAUSE OF HIS DEDICATION AND KNOWLEDGE IN THE FIELD. RAMO IS VIEWED AS A GOOD SPOKESMAN FOR THE INDUSTRY IN THE APPLICATION OF TECHNOLOGY.

HE CONSIDERS RAMO TO BE A VERY GOOD, LOYAL CITIZEN. ALTHOUGH NOT BEING ACQUAINTED WITH THE ASSOCIATES OF RAMO, DR. BROMBERG ADVISED THAT RAMO'S ASSOCIATES ARE ALL GOOD UPSTANDING PEOPLE. HE NOTED THAT RAMO IS HEAVILY INVOLVED IN CHARITABLE WORK, MUSIC AND THE ARTS. ALSO, RAMO IS ON A NUMBER OF BOARD OF DIRECTORS FOR LARGE COMPANIES IN THE UNITED STATES.

DR. BROMBERG KNOWS OF NO PROBLEMS WITH ALCOHOL OR NARCOTICS OR ANY OTHER DEROGATORY INFORMATION CONCERNING RAMO AND WOULD RECOMMEND HIM FOR A POSITION OF CONFIDENCE AND TRUST SUBJECT TO ANY PHYSICAL LIMITATIONS DUE TO HIS AGE ALTHOUGH DR. BROMBERG IS NOT AWARE OF ANY HEALTH PROBLEMS.

CONNIE D. CRAWFORD, DIRECTOR OF COMMUNITY AND CIVIC RELATIONS, ELECTRONICS AND DEFENSE SECTOR, TRW INCORPORATED, WAS CONTACTED ON JULY 12, 1984. SHE ADVISED THAT SHE HAS KNOWN SIMON RAMO SINCE 1973 WHEN CRAWFORD JOINED TRW AND FROM 1980 TO 1982 WORKED VERY CLOSELY WITH HIM IN CONNECTION WITH PROJECTS THAT RAMO WAS VITALLY INTERESTED IN. SHE HAS HAD SOME SOCIAL INTERRELATIONS WITH HIM, HOWEVER, MOST OF HER CONTACT HAS BEEN IN A WORK ATMOSPHERE. THEY HAVE A NUMBER OF MUTUAL SOCIAL FRIENDS AND SHE ADVISED THAT ALL OF HIS FRIENDS ARE OF HIGH CALIBER, HIGH RANKING PEOPLE.

RAMO HAS AN EXCELLENT REPUTATION AND IS CONSIDERED ALMOST A GENIUS. HE IS VERY ETHICAL, A STRONG WILLED, OUTSPOKEN INDIVIDUAL WHO IS CONSIDERED A COMPLETE SCIENTIST AND A FAIRLY GOOD ENTREPRENEUR. HE HAS MAINTAINED BOTH HIS SCIENTIFIC CREDENTIALS AND HIS INDUSTRIAL STATEMAN'S CREDENTIALS.

LA 161B-2463

MRS. CRAWFORD EXPRESSED NO REASON TO QUESTION THE LOYALTY OF SIMON RAMO. SHE KNOWS NOTHING DEROGATORY CONCERNING HIM INCLUDING USE OF NARCOTICS OR ABUSE OF ALCOHOL AND NOTED THAT HE WAS EXTREMELY DEVOTED TO HIS WIFE. SHE WOULD HAVE NO HESITATION IN RECOMMENDING HIM FOR A SENSITIVE POSITION.

DR. ROBERT BURNETTE, VICE PRESIDENT AND GENERAL MANAGER OF THE DEFENSE SYSTEMS GROUP, TRW, WAS CONTACTED ON JULY 13, 1984. HE ADVISED THAT HE FIRST BECAME ACQUAINTED WITH SIMON RAMO ABOUT 1956 WHEN THE COMPANY WAS STILL KNOWN AS RAMO - WOOLDRIDGE. AT THAT TIME, RAMO WAS THE CHIEF RECRUITER FOR THE COMPANY AND BURNETTE MET HIM WHILE BURNETTE WAS A PROFESSOR AT PURDUE UNIVERSITY.

BURNETTE ADVISED THAT THE COMPANY WHICH STARTED OUT AS RAMO - WOOLDRIDGE HAS EXPANDED AND GROWN DUE TO THE LEADERSHIP OF RAMO UNTIL IT IS NOW KNOWN AS TRW AND IS A LEADER IN IT'S FIELD. IT IS NOTED THAT RAMO RETIRED FROM TRW IN 1978, HOWEVER, IS STILL ACTIVELY INVOLVED IN THE ACTIVITY OF TRW AS A MEMBER OF THE BOARD OF DIRECTORS AND ON A CONSULTING BASIS. HE ADVISED THAT RAMO HAS AN OUTSTANDING REPUTATION IS CONSIDERED A LOYAL INDIVIDUAL. BURNETTE SEES RAMO ON A SOCIAL BASIS AS WELL AS A WORK BASIS ON OCCASION AND NOTED THAT ALL OF THE FRIENDS OF RAMO ARE "UPPER CRUST." BURNETTE SAID THAT RAMO IS CONSIDERED A BRILLIANT SCIENTIST AND INVENTOR WHO IS WELL READ IN MANY AREAS INCLUDING INTERNATIONAL MATTERS, POLITICS, AND EVEN TENNIS TO THE POINT THAT HE HAS WRITTEN A BOOK ON TENNIS. RAMO IS AN INTELLECTUAL LEADER AND A GREAT ENVISIONARY WHO KNOWS HIS LIMITATIONS AND IS ABLE TO GET TO THE HEART OF MATTERS VERY QUICKLY. HE IS A VERY ARTICULATE, BROAD MINDED INDIVIDUAL WHO IS OPINIONATED INCLUDING A STAND ON ARMS LIMITATIONS. RAMO MIXES WELL WITH OTHER INDIVIDUALS AND IS VERY GREGARIOUS AND CHARITABLE, DONATING MUCH TO VARIOUS CHARITABLE ORGANIZATIONS INCLUDING AN AUDITORIUM WHICH IS NOW NAMED AFTER HIM AT THE CALIFORNIA INSTITUTE OF TECHNOLOGY.

BURNETTE STATED HE KNEW OF NO ABUSES OF ALCOHOL OR NARCOTICS BY RAMO AND WOULD HAVE NO PROBLEM WHATSOEVER IN RECOMMENDING RAMO FOR A POSITION OF SENSITIVITY.

LA 161B-2463

CHARLES W. STEPHENS, VICE PRESIDENT AND GENERAL MANAGER OF TRW'S ELECTRONICS SYSTEMS GROUP, WAS CONTACTED ON JULY 13, 1984. STEPHENS ADVISED HE HAS KNOWN SIMON RAMO SINCE COMING TO THE COMPANY APPROXIMATELY 27 YEARS AGO, AND HE HAS WORKED VERY CLOSELY WITH RAMO FOR THE LAST SEVEN OR EIGHT YEARS. HE HAS FOUND RAMO TO BE A VERY HARDWORKING, COMPLETELY HONEST INDIVIDUAL WHO IS STILL ACTIVE AND INVOLVED FOR HIS AGE WHICH IS AROUND 70. RAMO HAS A GOOD REPUTATION AND STEPHENS IS CERTAIN THAT RAMO IS A DEDICATED, PATRIOTIC, INVOLVED PERSON. RAMO NOW HAS A GOOD REPUTATION IN HIS SENIOR STATEMAN'S ROLE AND RAMO IS STILL INTERESTED AND INVOLVED IN KEY, TECHNOLOGICAL MATTERS. RAMO IS RESPECTED FOR HIS TECHNOLOGICAL BRILLIANCE AND ACHIEVEMENTS WITH TRW AND THE NATIONS STRATEGIC MILITARY SYSTEMS.

AS FOR RAMO'S ASSOCIATES, THEY ARE ALL VERY "SENIOR PEOPLE IN THE BUSINESS AND ALSO PROMINENT INDIVIDUALS" IN THE WASHINGTON, D.C. AND LOS ANGELES AREA. STEPHENS RELATED THAT HE HAD NEVER SEEN ANY EVIDENCE OF ANY NARCOTICS USE OR ABUSE OF ALCOHOL BY RAMO AND KNEW OF NO REASON NOT TO RECOMMEND HIM FOR A POSITION OF CONFIDENCE AND TRUST.

DAN SCALLY, DIRECTOR OF SPECIAL PROGRAMS, TRW INCORPORATED, WAS PERSONALLY CONTACTED ON JULY 13, 1984.

SCALLY ADVISED THAT HE HAS KNOWN SIMON RAMO SINCE 1957 AND IN THE MID 1960'S, WORKED VERY CLOSELY WITH HIM HAVING TO GIVE HIM ANALYSIS BRIEFINGS ON A REGULAR BASIS. HE DESCRIBED RAMO AS A MAN OF ABSOLUTE HONESTY AND INTEGRITY AND ONE WHO IS CONSIDERED A "VISIONARY" IN THE AEROSPACE FIELD. RAMO IS WELL KNOWN, HIGHLY RESPECTED INDIVIDUAL IN EDUCATION AND SCIENCE.

SCALLY CONSIDERS RAMO TO BE ABSOLUTELY LOYAL IN EVERY RESPECT AND AN INDIVIDUAL WHO ASSOCIATES ONLY WITH THE FINEST OF PEOPLE. HE NOTED THAT THE CLOSE FRIENDS OF RAMO SEEM TO BE HIGH LEVEL PEOPLE IN THE LOCAL COMMUNITY AS WELL AS THE EDUCATION COMMUNITY AND THOSE IN WASHINGTON, D.C.

HE CONTINUED THAT RAMO APPEARS TO BE A VERY TEMPERANT PERSON IN HIS DEMEANOR AND HE KNOWS OF NO PROBLEMS WITH ALCOHOL OR NARCOTICS. IN FACT, SCALLY ADVISED THAT HE KNEW OF NO DEROGATORY INFORMATION CONCERNING RAMO WHATSOEVER AND WOULD RECOMMEND HIM WITHOUT HESITATION FOR A POSITION OF SENSITIVITY AND TRUST.
